intelligent young woman you have become.
Kick Hat, dance your heart out, and shine like the
star you are.**

**Have a wonderful senior year!
Love~ Dad, Mom, & Mason**

FROM OUR SUPERINTENDENT

Dear Tor Fan,

Welcome to Kermit Courville Stadium, home of Galveston Ball Golden Tornado Football. The 2022 Football season will be a historic one for Courville Stadium, in that; on May 8th, 2022 the voters of Galveston approved the funding for a new Courville Stadium. I am excited to experience one more season of memories in this historic stadium.

Research shows, as a whole, students who are involved in extra-curricular activities are more successful than those who are not. As we cheer for the football team, cheer with the cheerleaders, and applaud the band and Tornadoes, please remember they are students first. Their accomplishments as students far outweigh their achievements on the field of competition.

On any given Friday evening, there are many individuals who strive to ensure your experiences are successful; from those who direct traffic, keep the stadium safe, to those who coach our students and serve you at the concession stands. Each of them works hard to see to it the time you are here is enjoyable. They work hard for each of our students and for our community.

The start of the school year is always an exciting time. Students return and activities such as volleyball, cross-country and football begin, and our hearts are proud as we watch our students compete and entertain. If you are a visitor to Courville Stadium, I hope you enjoy your time on Galveston Island. Please let us know if we can be of service to you this evening. To the supporters of Ball High School, we say, GO TORS. Enjoy the game and thank you for your support of Galveston Independent School District.

Once a TOR, always a TOR!

FROM OUR PRINCIPAL

Dear Tor Fan,

It is with great pride that I, the Principal of Ball High, welcome all of you to today's competition and thank you for supporting the student athletes of Ball High School. Our student athletes have worked very hard to perfect their skills and performances. The young men and women are participating in something they enjoy and are proudly representing their school and their community. As we watch today's activities, always show positive support and appreciation for our student athletes.

Galveston is an exceptional community filled with people from different backgrounds and with different perspectives that seem to hold one very important thing in common – the well-being of our young people. The crowd at tonight's football game is a visible expression of that fact. Thank you for being part of what makes Galveston exceptional.

I hope that each of you will have enjoyed today's events and I wish you all a safe return home.

Go TORS!

Sincerely,

Joseph Pillar
Principal

**To Our Amazing Granddaughter
Haylie Michelle Wisner**

Pappy and I just wanted to let you know how proud we are of you and all you have accomplished and overcome to achieve your dream of being the Tornette Colonel. We had no doubt that with your personality, determination, leadership, and love for dance that you would be able to achieve anything you put your mind to. Remember to always believe in yourself, keep reaching for the stars and never give up on your dreams. Pappy and I will be filled with so much pride watching you lead your team as Colonel this school year. With a big heart and lots of love we wish you an amazing and memorable senior year.

BALL HIGH SCHOOL TORNADO FOOTBALL

FROM OUR ATHLETIC DIRECTOR

For new Galveston ISD Athletic Director Bob Jones, sports, band, UIL academics and other activities are more than extra-curricular.

"I like to use the word 'essential-curricular' activities," said Jones. "Our activities are essential; they're not extra, because our kids need to belong to something. As long as they're belonging to something, we can help them. When they're not belonging to anything, that's when we lose them, and that's when we have issues."

Jones will guide the Galveston ISD athletic department during a crucial time, as voters just recently passed a more than \$300 million bond initiative, \$40.3 million of which is slotted to fund a new football stadium and a new aquatics center.

Among Jones's™ list of goals for the district is to get its high school sports teams playing on an elite level across the board — with the new facilities playing a key role in that — and to improve the overall culture of athletics in Galveston.

Jones is also looking to be a highly visible presence in the community, as well as having local success stories be active in the community, too. "We're coaching to change lives, and we're excited," Jones said. Beyond that, Jones envisions Galveston as a sports tourism hub for events ranging from NCAA football games to MLS exhibitions to various tournaments.

"I see this as a destination for athletics," Jones said. "We're a tropical island place where people want to come and visit. I'm a big vision guy, so I'm thinking we can do those things. And when we do that type of thing, we're making our kids see a dream come true."

A Nebraska native, Jones coached on the collegiate level after graduating, and since 1988 has been involved in athletics and has held athletic director positions in Texas, including his most recent stop at Sherman ISD — which passed a similar bond to Galveston ISD's during Jones' tenure — in north Texas.

In addition to the island's potential as a sports destination, other motivating factors for Jones to pursue the Galveston ISD job included being able to live closer to his granddaughter in Houston and already having a home on Galveston's West End.

Athletic Director
Bob Jones

Spend Friday nights playing under the lights

When you're injured, you want to recover and get off the sidelines as quickly as possible. That's why UTMB Health offers **same-day appointments** Monday through Friday and a **Saturday sports injury clinic** with our orthopedic specialists to treat sports injuries, including:

- Tendon and ligament damage
- Fractures
- Joint dislocations
- Strains and sprains

Our team begins with the most effective and least invasive solution, combining breakthrough clinical care with advanced technology and rehabilitative services to get you back in the game.

BALL HIGH SCHOOL TORNADO FOOTBALL

ABOUT OUR HEAD COACH

Coach Bennight was raised in central Texas and graduated from Tarleton State University. He has been coaching for 28 years. He has had the fortune of coaching in some first class programs including Copperas Cove, Marshall, Deer Park, Dickinson & North Shore. He has had the opportunity to coach in four state championship games for two different programs, winning three of those ventures.

When asked, Coach Bennight stated "I am so honored and privileged to be a part of such a storied program at Galveston Ball. The administration has been so supportive and the kids are some of the best I've been around."

Coach has been married to Jessica, for eight wonderful years. Jessica is an assistant principal at Deer Park High School. They have a six year old son named Jackson.
